Sun, moon, ultra sun and ultra moon still allowed Poké Mon out of those who are usually obtained to be transferred to the game, however they do not have Poké dex entries and numbers. Instead, Poké Mon can be captured through normal encounters. The player then goes back to the Woods of Petalburg to the house of Briney, where he gives the player a ride through Route 105 to Dewford Town. Similar to Emerald's battle border, battle points can be earned to use as payment for movements learned from the handling tutors at the battle resort. The Poké Mon contests are now called spectacular Poké Mon contest. Deoxys is now capturable during the climax of the Delta episode, making this the first time a mythical Poké Mon is legitimately available without the use of promotional events. The evil team suddenly appears and takes over the captain's research submarine. The pillar of the sky was completely redesigned and the Mach bike puzzle was removed. He will do this on Route 101 after the player enters the Hall of Fame and speaks to Zinnia. It can also change its form freely through a meteorite at Professor Cozmo's home in Fallabor Town, as opposed to generation III, where its forme depended on the game in which it was. The player meets Mr. Stone, the president of Devon Corporation, who asks the player to stop in the cityand give a letter to the son Steven; As thanks for the previous work of the player, Stone gives the player a new update to Poká©ANav Plus, the Buzznav. Upon exiting the forest, the player is spotted by a red-eyed grunt who reports to her leader. Location changes The dark areas of Granite Cave now require the Mach Bike from Mauville City for the player to access, and are now optional. However, it can still be found more easily by fishing directly underneath the bridge near the Weather Institute during the daytime or in the tiles adjacent to the lone rock in the river's southernmost curve (slightly north of the large field of long grass) during the nighttime. The player then finds Birch on Route 101, where he is being chased by a wild Poochyena. Mauville City has been completely redesigned into an indoor shopping complex and is dubbed the largest city in Hoenn, playing a similar role to Lumiose City from X and Y. The player's mother suggests that the player introduce themselves to Professor Birch, a friend of Norman's. A few evolved Poká©Amon such as Swellow or Walidor also can no longer be found in the wild. Cosplay Pikachu can be obtained. After capturing or defeating the Poká©Amon, the weather (seemingly) returns to normal. There are 100 TMs, as opposed to 50 TMs in Ruby and Sapphire. Like in Emerald, Professor Birch will give the player their choice of a Jirch starter. The Fairy-type and the new neutral match-up Steel has to Ghost and Dark. IGN rated the games a "Good" 7.8/10.[2] 1.2 points fewer than Poká©Amon X and Y, criticizing the excessive amount of water and HMs. This reasoning was quickly mocked by fans due to these issues' presence in the original games apparently being overlooked. On one hand it has been simplified, as the puzzle with holes in floors has been removed (both Incenses are now lying in the open), and the number of floors has been reduced from six to four. After defeating the admin, the player saves the institute and is given a Poká©Amon Castform as a reward. Upon returning to Slateport, the player finds that Capt. A few words of encouragement from all, the player enters, tabitha is now the counterpart of the shelly master team of the aqua team, and courtney is the matt counterpart, rather than the same-sex administrators being counterparts. these are the first games to present hoenn in Korean, as the generation games ii have never been translated into Korean. As parents ponder what they can do with the tickets they bought, a mysterious symbol appears on the screen, which then disappears into a chyrton "to be continued." outside, may u brendan explains how she caught poké mon in petalburg woods, commenting how Mr. briney was already a sailor. at the top of the hill chimney, the team magma and the team aqua can be found fighting; after fighting the administrator of the meteor evil team falls, the player meets the team leader, Maxieor/Archies, praying the meteorite in a strange machine with the intention of turning it into a mega stone, no package containing a compatible accessory. poké nav plus replaces poké nav, which functions as a dual screen feature. Then the player returns to mauville and travels through route 111 and route 112 to the path of fire, on the other side of which the player continues through route 113 to the city of fallabor. After the battle, the leader is informed in a better way of achieving the goals of his team, gives the player the meteorite and the retreats wally receives an exclusive battle theme, a rock remix of his leitmotif, rather than oar the battle theme of standard coaches. the player travels through route 104 and petalburg woods; just before the exit of the forest, the player finds the nefast team magmaor u the aquas team. on route 120, the player once again meets steven, and he gives the player the devon scope, a mega stone and the regional Poká©Adex is not sufficient anymore, and gets the National Poká©Adex upgrade. The player keeps both colored orbs after dealing with GroudonOR or Kyogreas. Since the easy chat system was removed, the player constructs a trendy phrase by selecting an item from the Items or Medicine Pockets along with one of ten possible words. After battling the grunts, the player comes face to face with the admin TabithaOR/ShellyAS, who appears distressed with what they found out. The catch rate of Rayquaza was raised from 3 to 45. Taking the southern path that was blocked by the battling teams, the player exits Mt. Chimney and reaches Lavitaridge Town, home of the Lavitaridge Gym. Gameplay changes Secret Bases have been completely upgraded, becoming Super Secret Bases. Spiritomb may be encountered through a special method in Sea Mauville. Share is now a Key Item that shares experience with all Poká©Amon in the party when activated. Similar to Poká©Amon Emerald, the Mossdeep Space Center is taken over during the events of the Delta Episode by Team MagmaOR or Team AquaAS and the player must team up with Steven to correct the situation, including a Multi Battle at the end. After fighting off the evil team, LatiosOR/LatiasAS decides to join the player's team and give them its Mega Stone. They are Sidney, who specializes in Dark-type Poká©Amon; Phoebe, who specializes in Ghost-type Poká©Amon; Glacia, who specializes in Ice-type Poká©Amon; and Drake, who specializes in Dragon-type Poká©Amon.
